## Pinewood Derby

Registration of cars will begin at 6:30 p.m. through 8:00 p.m. on Friday, January 15<sup>th</sup> at FUMC. Once checked in, cars will be impounded and **MAY NOT BE TOUCHED**. All cars must be registered the night before the race! Cars brought in on the day of the race may participate but will not qualify for judging and trophies. The parent should help the Scout, but the Scout should do more of the work than the parent or helper. Each car must pass inspection by the Judges before the race. **THE FRONT LEADING BOTTOM EDGE OF THE CAR MUST NOT BE CUT!** You are not allowed to round off the front edge of the kit. Only official BSA tires may be used on the cars. The edges of the tires must not be filed down; the surface of the tire, which comes in contact with the track, must stay flat across the width of the tire. It is important to have your car as close to 5 oz. as possible. You may adjust the weight of your car during check in by adding weights or screws to the body of the car so bring them with you. Your den leader will have more info.
